Cobb County Parks, Recreation & Cultural Affairs Department: Therapeutic Recreation Services Unit

Our Mission and Purpose of Program

The Therapeutic Recreation Services Unit provides recreation and leisure opportunities for persons age 16 and older with developmental disabilities. The program strives for each participant to function at his or her highest level of ability in the least restrictive environment possible. The goals of the program are to increase socialization skills, community awareness and emotional and physical well-being. We want to teach new leisure skills through participation in structured recreation and leisure activities that are safe and fun.

POINTS TO REMEMBER! To assure the safety of our participants, individuals who purchase tickets to events without pre-registering through our Unit will not be allowed to join the group for any event or outing. Check in with staff before dropping off or picking up a participant at any event. If you register on-line, please let us know by e-mail or phone call so we can send your calendar of events.
